## **MOTTOS AND DEDICATION**

### **MOTTOS**

Maybe I made a mistake yesterday, but yesterday's me is still me. I am who I am today, with all my faults. Tomorrow, I might be a tiny bit wiser and that's me too. These faults and mistakes are what I am, making up the brightest stars in the constellation of my life. I have come to love myself for who I was, who I am, and who I hope to become. —Kim Namjoon

### **DEDICATIONS**

## **ABSTRACT**

The aim of this study is to find out freshmen's anxiety level in English Department at University of Muhammadiyah Malang, the reasons of freshmen's anxiety in English Department at University of Muhammadiyah Malang, and how they cope with the anxiety in English Department at University of Muhammadiyah Malang.

The subject of this research is the freshmen in the academic year 2019/2020 at University of Muhammadiyah Malang. The researcher takes 25% of freshmen at English Language Education Department as a sample. The samples in this study consist of 32 students from six speaking class. The researcher used mix research design. In order to collect the data, the researcher used questionnaire (FLCAS) and interview guide as the instruments.

The researcher finds that most of the students (91%) at the English Language Education Department are identified to experience a medium level of anxiety (76-119). In addition, based on the FLCAS students' results, most of the students feel nervous to speak in front of many people, afraid of getting negative judgement from lecturer and friends, and afraid to make mistakes in the class. There are some ways to reduce their anxiety during their speaking class. The students will practice hard before the class started and always think about positive thinking.

## **ACKNOWLEDGEMENTS**

Foremost, the researcher expresses her highest gratitude to Allah SWT the Almighty for the blessing, love, and health to finish this undergraduate thesis and the researcher does not forget to precise her highest gratitude to the Prophet of Muhammad for bringing us light from the darkness.

In arranging this thesis, the researcher gets a lot of challenges and obstructions. Fortunately, many people have provided support and motivation for the researcher. In this opportunity, the researcher would like to express her sincere gratitude to all of them:

1. Her beloved parents, Arifin and Hartatik, for the endless love, support, and advice that they give to the researcher.
2. For the thoughtful comments, motivation, support, and immense knowledge of her first advisor, Rosalin I. Gusdian, M.A, for her guidance helped in all the time of research. Her vision, sincerity, and motivation have deeply inspired me.
3. For the guidance and encouragement of her second advisor, Khoiriyah, S.Pd., M.A., for her kindness, advice, and patience until the completion of this thesis.
4. Her lecturer, Rakhmawati Khadijah Maro, M.Ped., for the guidance and advice while doing this thesis.
5. Her brother, Arif Hidayat that always fight, care, and give supports while doing this thesis.
6. Her beloved friends in the boarding house, Siti Farah Nurzanah dan Kharisma Maya Sari who always love, give supports, patience, care, and cheer her up every time her down.

7. Her beloved friends on the campus, Widhyana Ika, Nurul Shofiana, Asita Yasmiazazul, Maulidea Putri, and Wella Arini that always kind, patience, give supports and advice for the past four years of friendship.

Finally, the researcher would like to thank all of the people who have supported her to complete this undergraduate thesis successfully. This undergraduate thesis is far from the perfection that it has many flaws in the writing in terms of material and technical. Therefore, the researcher expects criticism and constructive suggestions. The researcher hopes that the undergraduate thesis can be useful for readers.
